Dear Dan:

I want to thank you for taking the time out of your busy schedule and participating in our Search and Seizure Seminar on January 31<sup>st</sup>.

Due to the quality of your presentation and practical information that you passed on to both novice and experienced attorneys, you were one of our most well-received speakers. That is saying a lot. I thought your presentation was not only insightful, but that your materials were extremely informative. At the end of your presentation, there was no doubt in anyone's mind that they were receiving valuable information from a consummate professional, who knew how to try a case. Attorneys should not only review your materials, but have them sitting next to them during their next hearing.

I consider it an honor to have attorneys of your caliber participate in our state-wide seminars. I will not hesitate to call upon you again very soon.

Sincerely,

Russell G. Born  
Training Director
